This section to be completed in addition to the top section if you are mandated to perform community service hours and hoping to do so through Dixon Family Services.

Who is requiring you to do community service hours? _____
How many hours are you required? _____ What is the deadline date to complete hours? _____

Turn in a copy of the required paperwork with this completed survey. With any required community service hours we will need something from the entity asking you to perform hours. For example: Court or Probation Order, School Assignment, Police Diversion Program, Church Service Hours, Youth Organization Project, etc.

For mandated service: Failure to provide police, court, school or other explanatory documents with this form will cause a non-response to your request for service hours
