Dear Friends and Partners of Dixon Family Services,

Fall 2019

Fall is here and with it comes increased needs for low-income families in our community. Utility bills rise, food budgets get stretched and kids need warmer clothes in the colder winter months. Housing remains a huge problem as rents increase, resulting in many families in need of help for the first time in their lives.

Once again you have the opportunity to support Dixon Family Services (DFS) and our mission to improve lives. We ask this on behalf of the many people in Dixon struggling to meet their basic needs.

We offer help with basic needs to families with children. Family Case Management, with sensible action plans for achievable goals, instruction in budgeting, savings plans, employment development / improvement and navigation of government benefits all can make a big impact on families at a time when they need it most. Also available are behavioral health services and information and referrals to all. Co-located partners provide more help.

With your financial contribution you have the power to help us make a difference in the lives of children and families. Your donation can positively affect a family in your neighborhood, a co-worker, friend or even a relative. What some do not realize is that 14% of our community's population is living at or below poverty level. Your donation is needed now more than ever.

We thank you for everything you have previously done to support our various programs and we thank you in advance for an end-of-year 2019 tax deductible charitable contribution to Dixon Family Services today.

For your tax purposes, our Tax ID number is 68-0041829

We also greatly appreciate it when you tell others about us. Sharing with your circle of friends, employers, co-workers, church members and others about the good work we do at Dixon Family Services can help get the word out to people who need our help, and can also potentially lead us to new partnerships, like the one we have with you. We are so pleased to have you as our partner! **We could not do all we do without your support!!**

On behalf of our Board of Directors, Staff, Volunteers and especially the people we serve – **THANK YOU SO MUCH FOR YOUR SUPPORT!!**

Sincerely,

Cookie Powell
